

Set out below are the 2016-17 tax rates applied to residents for tax purposes, and to non-residents. Note: These rates include the Temporary Budget Repair Levy but do not include the Medicare levy.

General individual income tax rates for residents		
\$0 - \$18,200	0	Nil tax payable
\$18,201 - \$37,000	19	19c for each \$1 over \$18,200
\$37,001 - \$80,000	32.5	\$3,572 plus 32.5c for each \$1 over \$37,000
\$87,001 - \$180,000	37	\$19,822 plus 37c for each \$1 over \$87,000
\$180,001 and above	47	\$54,232 plus 47c for each \$1 over \$180,000
General individual income tax rates for non-residents		
\$0 - \$87,000	32.5	32.5c for each \$1
\$87,001 - \$180,000	37	\$28,275 + 37% of excess over 87,000
\$180,001 and above	47	\$62,685 + 47% of excess over \$180,000

If you're a non-resident, you don't get the tax-free threshold, and your tax rate on income below \$37,000 is much higher.
